**Designer/Drafter REVIT Architecture Experience
Minnetonka, MN**

Job Description

We are looking for a motivated Revit drafter with great attention to detail.

Rippe Associates is a national foodservice design consulting firm. We design kitchens, cafeterias, restaurants, and coffee shops for commercial facilities including corporate offices, hospitals, colleges, casinos, correctional facilities, and more.

Candidates for this position must possess demonstrated proficiency using current versions of Revit Architecture. You will be preparing complete sets of drawings including overall plans, elevations, sections, and mechanical and electrical details. Previous exposure to the food service industry and functionality of restaurant, cafeteria design is a plus, however, we will train the right candidate for our industry.

This position requires you to have good communication skills and the ability to work independently as well as on a team. With experience, the work includes coordination with architects, engineers and code officials, and some travel.

Relaxed environment, excellent benefits including health insurance and profit sharing.

A minimum of 2 years Revit training and 1+ years of architectural drafting experience is required. Family building experience preferred.

A Revit test will be given at interview.

Relocation assistance is not available.
